## WORKSHOPS

- 2023**                      **Speeding up computations with parallel R**  
WestDRI online courses, Digital Research Alliance of Canada, Simon Fraser University, BC
- 2022**                      **Geo-Computation and -Statistics in R: Explicitly Accounting for Location in Agriculture**  
GEMS Informatics, Minnesota Supercomputing Institute, University of Minnesota, MN

## WORK EXPERIENCE

### Research

- 2023**                      **Graduate Student Researcher**, University of California, Davis  
With Julian Alston
- 2022-2023**              **Research Assistant**, University of Saskatchewan  
With Richard Gray and Julian Alston
- 2021-2022**              **Graduate Student Researcher**, University of California, Davis  
With Julian Alston and Philip Pardey
- 2018-2019**              **Research Officer**, University of Saskatchewan
- 2016**                      **Research Assistant**, University of Saskatchewan  
Grain Transportation Research commissioned by Saskatchewan Wheat Development Commission.

### Teaching Assistant

- 2020**                      **Teaching Assistant**, University of California, Davis  
ARE 100B – Intermediate Microeconomics (*Spring and Fall Quarters*)
- 2017-2018**              **Teaching Assistant**, University of Saskatchewan  
AREC 346 – Principles of Sales (*Fall 2017*)  
AREC 343 – Grain and Livestock Marketing (*Winter 2018*)

### Other Employment

- 2012-2019**              **Custom Farming** – custom seeding, spraying, and combining in Eston, SK.
